

Volunteer with us, and Make a difference!

This tops the cake: we've been treated so well! It got to our hearts. We felt super great about doing this: the joy just flows. Our homeowner was in tears yesterday saying "I'm really gonna miss you guys".

~Nate Roberson, Allen AME Church

You all need to know that we have been uplifted and energized beyond measure, a thought that all "Paint Tacoma Beautiful volunteers" really need to take to heart. What you do for people goes far beyond the elbow grease and coat of paint. Something remarkable happens. Every time I come home I have a new sense of well-being and encouragement.

~Lynda Wickline, 2009 homeowner

**Join the fun! We will paint as many homes as we have crews.
When your group says "YES!," one more home
gets painted; it's as simple as that.**

Paint Tacoma-Pierce Beautiful has been organizing volunteers to paint the homes of low-income seniors and low-income people with disabilities since 1985.

This summer will be our 26th year. Last summer more than 1600 volunteers painted 82 homes throughout Tacoma/Pierce County.

In addition to helping someone who can no longer afford to maintain their home -- there are a number of reasons to join in:

- ◆ It's a short-term commitment (mid-July to mid-August).
- ◆ The results of your labors are *immediate and tangible*.
- ◆ It's community-building and morale-boosting for groups.
- ◆ It's great for children to do alongside parents and neighbors.

Paint Tacoma-Pierce Beautiful is a program of Associated Ministries.
