

Youth Volunteers & Paint Tacoma-Pierce Beautiful

Youth are encouraged to participate in the program. Over the years, there have been partial crews from Cub Scout Dens who did yard work, there have been numerous Eagle Scout projects and a Gold Award project, Key Clubs and National Honor Society crews from high schools, church youth groups, etc.

For the sake of safety on the job and quality assurance, the policy regarding youth is:

1. No one under 8 years of age allowed on job site.
2. Youth 12 years old and younger: 1 adult for each youth.
3. Middle school/junior high aged youth: 1 adult per 2 youth.
4. High school aged youth: 1 adult per 3 youth.

No one under the age of 16 may be on a ladder at a Paint Tacoma-Pierce Beautiful job site. People aged 16 and 17 may be on ladders, but their feet must be no more than 10 feet off the ground.

Everyone on the job site must wear shoes. No sandals allowed.
